

INSTRUCTIONS FOR ORDERING AUDIO

Please make sure that the form is complete before submitting it to the court. To obtain a copy of the audio from a hearing, visit Customer Service at the Nesbett Courthouse (see address below) or mail in a completed request form along with a \$20 deposit to the following address:

Alaska Court System
Audio Duplication
825 W. 4th Avenue
Anchorage, Alaska 99501

Each CD holds approximately 6 to 8 hours of audio. If your request requires more than one CD, you will be charged for each additional CD. Fees for electronic recordings can be found in [Administrative Rule 9\(d\)](#).

Your request **must contain CD/tape/media numbers and log numbers** in addition to hearing dates and case number. This information is available in the log notes located within the case file. You may come to the Customer Service counter at the Nesbett Courthouse and view the log notes to obtain the media numbers and log numbers, or you can submit a written request to Customer Service for the log notes. Customer Service can also be contacted at (907) 274-8611 (select option '0').

Customers located outside of Anchorage may submit a separate request to the Records Division for a copy of the log notes (by fax or by mail). The Records Division will not provide media or log numbers over the telephone. The Records Division fax number is (907) 264-0873.

-
- ▶ If the request is for a hearing before 2000, the customer **MUST** provide a copy of the log notes, however, customers may submit log notes with ANY audio request.
 - ▶ Audio recordings may be duplicated in the same format as the original recording. For example, if the original media was recorded on ForTheRecord (FTR) CD, the audio will be duplicated to CD in FTR format. However, if the original media is on cassette, the audio will be duplicated to a CD.
 - ▶ The ForTheRecord (FTR) audio player can be downloaded for free at www.ForTheRecord.com. CourtSmart CDs come with their own mini-player on each CD — no installation is required.
